EDF 2.0: Excel file to be completed and sent, with corresponding files attached, to depot@poisoncentre.be

Identification		Manufacturer Product Code	Profes-sional Use Only	Hazardous Mixture	Type: H:Household I:Industrial P:Paint	Provided Documents (names of attached files)		
Trade Names						Safety Data Sheet (SDS)	Product Composition (confidential)	Label
Mandatory		Optional	(Y or N)	(Y or N)		Mandatory	Mandatory	Mandatory

List all the names in the same cell, separated by semicolons.
It is very important to mention all the names on the label and on the safety data sheet.

Choose the type of product.

Enter the full name of the attached files. Don't forget the extension!

Tip: copy-paste the file names to avoid mistakes.

REMARK: a file name cannot contain accented letters or the following characters :

& @ : ampersand or « at » sign
" ' : double or single quotes
` ^ ~ : accents
( ) : parenthesis
[ ] : square brackets
{ } : curly brackets
< > : less than and greater than signs
, ; ? ! : comma, semicolon, interrogation and exclamation sign
= + * % : equal, plus, star or percent sign
| / \ : vertical bar, slash and back slash

Type your internal code here.

Choose Y for YES, N, for NO.

Choose Y for YES, N, for NO.
